

Bridgecor, LLC is a company of passionate professionals that focuses on building strong relationship with our candidates and clients.

ABOUT US

We are a *Service-Disabled Veteran Owned Business (SDVOB)* Search Firm with a diverse team of skilled professionals. Driven to develop unparalleled relationships with employers and candidates, and sourcing exceptional talent to add to your organization’s team. Our goal is to not partner with everyone, but only the right one. Meaning the association has to be the right one for all concerned, our organization, your company and our recruiters, as well as potential candidates.

MISSION:

Our mission is to Bridge extraordinary talent with exceptional organizations for the benefit of all. Whereby our commitment is to veterans and females as IT professionals we desire to provide the best possible experience for everyone we work with, and as we come together this is where the difference is made.

VISION:

Bridgecor sees a future in which organizations can access the distinct talent pool of veterans and females, with equal pay and opportunity based on the skill set of each individual. Closing the gender gap and understand what veterans bring to the table as they transition is a must. We are committed to providing such a talent pool to organizations as we understand the rapid climate change in the IT world. We know by doing this, we can create a more productive, innovative, and successful future for everyone. Bridgecor is the solution for a more inclusive tomorrow.
